OLD BUSINESS :

Randy turned in a safety grant proposal to SDAO for cluster box in a chance we may be awarded 50 %. Grant was turned in on time no further word from SDAO

Randy fielded questions regarding paving information and proposed a drop in the current road district tax from 1.50 per thousand to .35 per thousand . A spreadsheet was provided for evaluation purposes only showing proposed tax decrease to .35 for 1000 dollar assessed value and the increase of the bond. The evaluation sheet is attached to the website under resource center. It was agreed to post flyers to all in the district regarding the upcoming request for the attendance on the December 11 meeting for final discussions regarding upcoming special ballot measure for paving. Randy will post flyers Wed / Thurs the week before the meeting. Randy will attempt to contact Dave from SDAO to have a public meeting forum in January to answer all questions regarding how the bond functions. Randy will bring a spreadsheet and computer to provide estimates for yearly tax exposure before and after the bond . Please bring your

2018 assessed tax value with you to the meeting for an estimate of the next ten years.

Community workgroups discussions and sign up tabled until the New Year
